CHRISTMAS AT FEST

FEST Camden is home to the liveliest venue in Camden market - a must see gem in one of London's favourite hot spots! What was once a 19th Century Horse Hospital is now a bar, club, restaurant and show room all under one roof. Not to mention our infamous Winter Chalet terrace on top of the roof, with two private bars, live music every day and an idyllic winter setting. The WOW factor of FEST is never lost, whether it is used for an exclusive hire or whether one of our private horse stables is hosting an intimate smaller party. It has something for everyone! The Team at FEST are vastly experienced in running a multitude of beautifully organised events, always ensuring a wild and wonderful experience from enquiry to the day of your Christmas party! If that wasn't enough to tempt you, FEST are introducing 'The Greatest Show' this year for a spectacular Christmas showdown to host your party. Enjoy a delicious set menu, drinks, dancing and immerse yourself in a world of entertainment from singers live from the West End stage, acrobats, contortionists to performances from some of London's sexiest cabaret dancers, close up table magic and our amazing in-house DJ's to keep the party going! Let us make your Christmas wishes come true this year and book your party at FEST Camden.
